3. Presentation & Demo wherever required in the bid shall be given on 31.8.2017 at 12 PM onwards at the office of the Central Council of Indian Medicine.

Introduction about Central Council of Indian Medicine

The Central Council of Indian Medicine is the statutory body constituted under the Indian Medicine Central Council Act, 1970 vide gazette notification extraordinary part (ii) section 3(ii) dated 10.8.71.

Since its establishment in 1971, the Central Council has been framing on and implementing various regulations including the Curricula and Syllabii in Indian Systems of Medicine viz. Ayurved, Siddha and UnaniTibb at Under-graduate and Post-graduate level. The Sowa Rigpa System of Medicine is included in the Central Council of Indian Medicine from the year 2012 as per Gazette Notification No. 2345 dated 16.12.2011. Now, all the Colleges of Indian Systems of Medicine are affiliated to various Universities in the Country. These Colleges are following the minimum standards of education and Curricula and Syllabii, prescribed by Central Council.

The main object of the Central Council are as under:-

- To prescribe minimum standards of education in Indian Systems of Medicine viz. Ayurved, Siddha, UnaniTib. and Sowa Rigpa.
- To recommend Central Government in matters relating to recognition (inclusion/withdrawal) of medical qualifications in/from Second Schedule to Indian Medicine Central Council Act, 1970.
- To maintain a Central Register of Indian Medicine and revise the Register from time to time.
- To prescribe Standards of Professional Conduct, Etiquette and Code of Ethics to be observed by the practitioners.
- To consider and furnish the recommendation to Government of India on proposal received from various institutes from Government of India for establishment of new colleges of Indian Systems of Medicine, to increase intake capacity in Under-graduate, Post-graduate and to start new or Post-graduate additional subjects.

Section 1: Letter of Invitation

Through this Request for Proposal (EOI), it is intended to invite Proposals for the selection of appropriate Organisation for the work of “**Call for expression of Interest for development of software application on GPS Based Aadhaar enabled biometric attendance System all Colleges & Hospitals under Central Council of Indian Medicine**”

1. Bidders are advised to study the EOI document carefully.
2. Submission of Proposals against this EOI shall be deemed to have been done after careful study and examination of the procedures, terms and conditions of the EOI document with full understanding and its implications.
3. The Council may, at its own discretion, extend the date for submission of Proposal. In such case all the rights and obligations of the Council and Bidders previously subject to the deadline will thereafter be subject to the deadline as extended.
4. *Only those Organisations who fulfil the eligibility Clauses indicated in Section 4 (Page No.16) are eligible to participate in this Tender. Proposals submitted by any other bidders will be treated as non-responsive and will not be considered against this EOI.*
5. **The bidder shall be selected under Quality and Cost Based Selection (QCBS) procedure as described in this document**
6. The EOI document is available on CCIM's website www.ccimindia.org. Interested Bidders may view, download the EOI document, seek clarification and submit the Proposal, up to the date and time mentioned in the table below:-

OBJECTIVE OF PROPOSED SYSTEM

The system has to achieve the implementation of GPS Based Aadhaar enabled biometric attendance System through Mobile application. The proposed system shall meet the following objectives:-

- (a) Generation of College/Hospital wise Daily Attendance Sheet in Soft & Hard copies as required by CCIM. (Central monitoring system)
- (b) The installed system should be maintenance free (if feasible).
- (c) The clock used in the GPS Based Aadhaar enabled biometric attendance System should be corrected/ calibrated with GMT timings on a daily basis.
- (d) Provision of fitment of GPS Based Aadhaar enabled biometric attendance System at various locations in the all affiliated Colleges & Hospitals of Central Council of Indian Medicine.
- (e) The firm should include the operation and maintenance cost for one year post installation of the system.
- (f) The software should be able to calculate the overtime calculation for employees, working beyond the mentioned.
- (g) The attendance sheet generated through the system should be integrated with the teacher's database maintained at CCIM.
- (h) Proposed system shall be based on Open source for interoperability with various heterogeneous applications in existence, being planned or likely to be set up in the future.
- (i) The Software should be able to tag the GPS location from where the attendance of the teacher/staff is marked.
